

SUSTAINABLE
SEAS

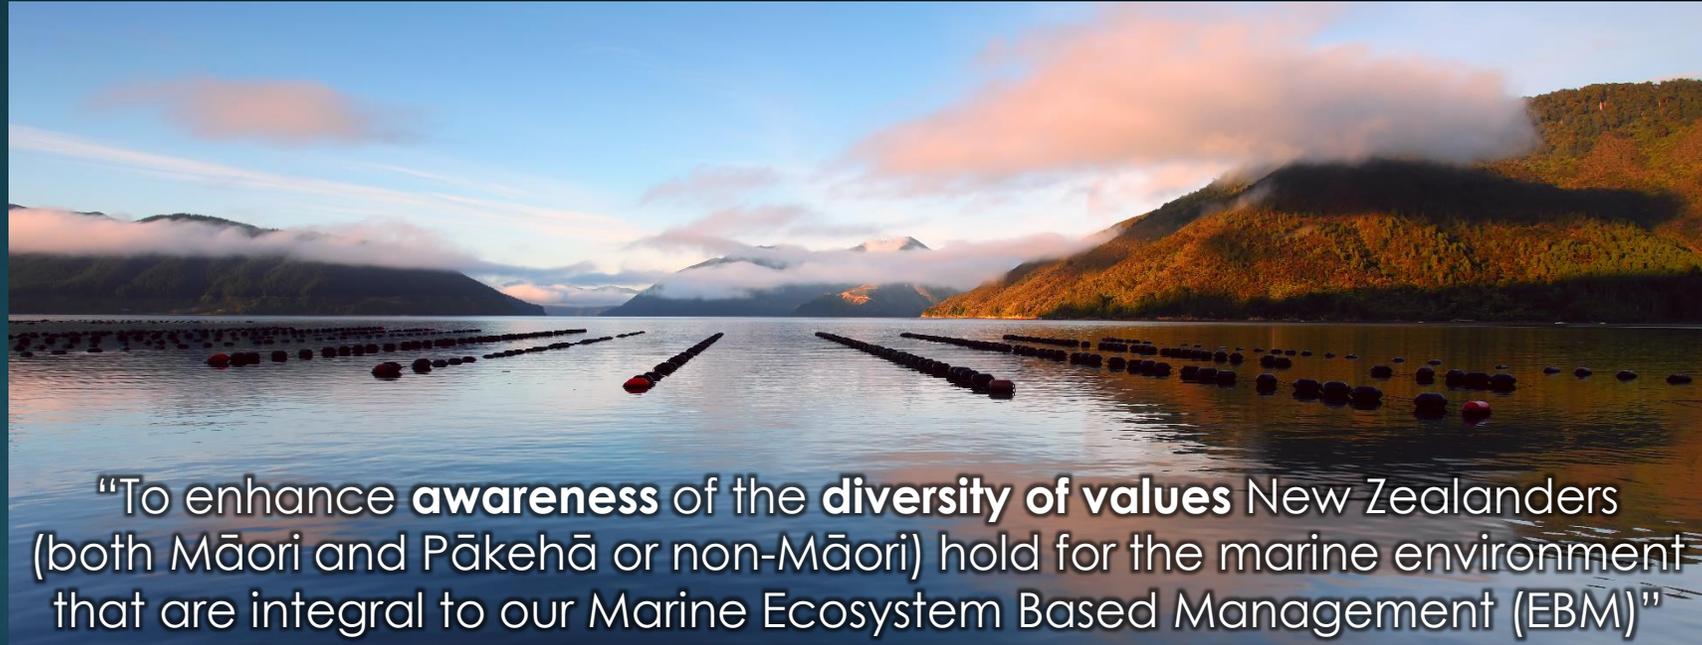

Ko ngā moana
whakauka

Mauri Moana, Mauri Tangata, Mauri Ora

Making room for **enacting** Māori and Social values in
the Marine Environment

Kelly Ratana, Kate Davies, Kimberley
Maxwell,
Caine Taiapa & Shaun Awatere

Research aim & questions

Tikanga

- Shared, unique interpretations
- Transcend place & time
- e.g. Mauri & Kaitiakitanga

Contextual values

- Reflect relationships of people to environment
- Unique to place & iwi
- e.g. Mahinga kai species

Māori Values

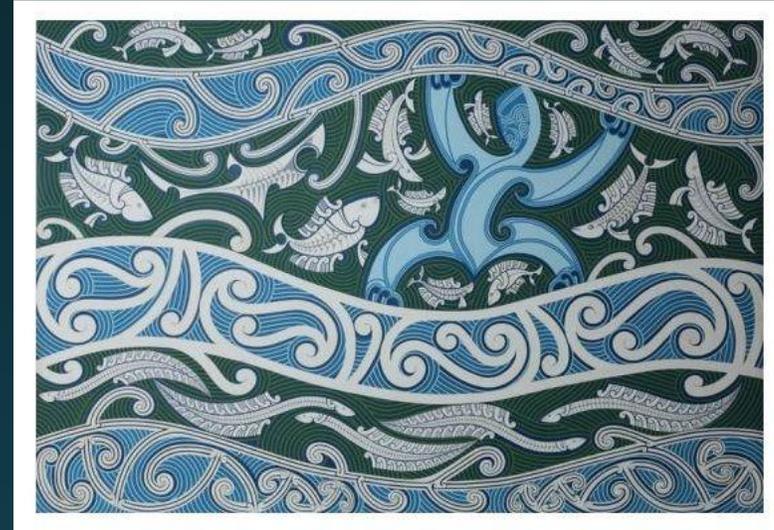

Image Credit: Cliff Whiting

Connections to the marine environment

Māori | New Zealand Society | Indigenous

KNOWLEDGE SYSTEMS & VALUES

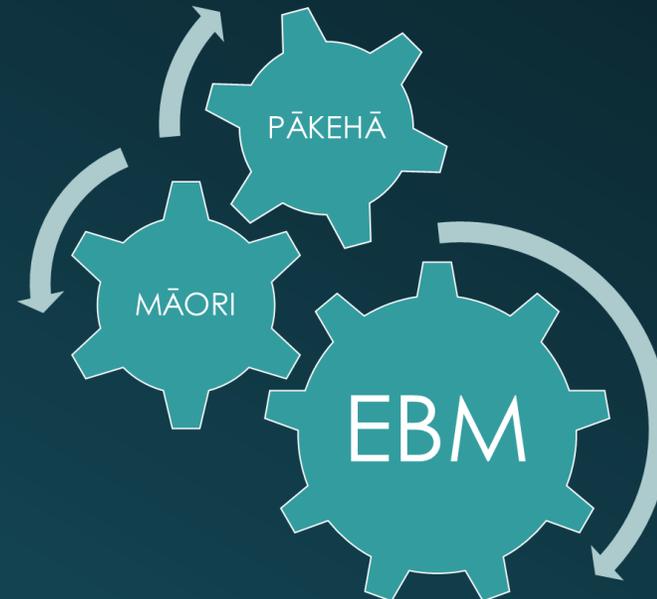

- Dual Approach
- Empowers Māori Knowledge & values

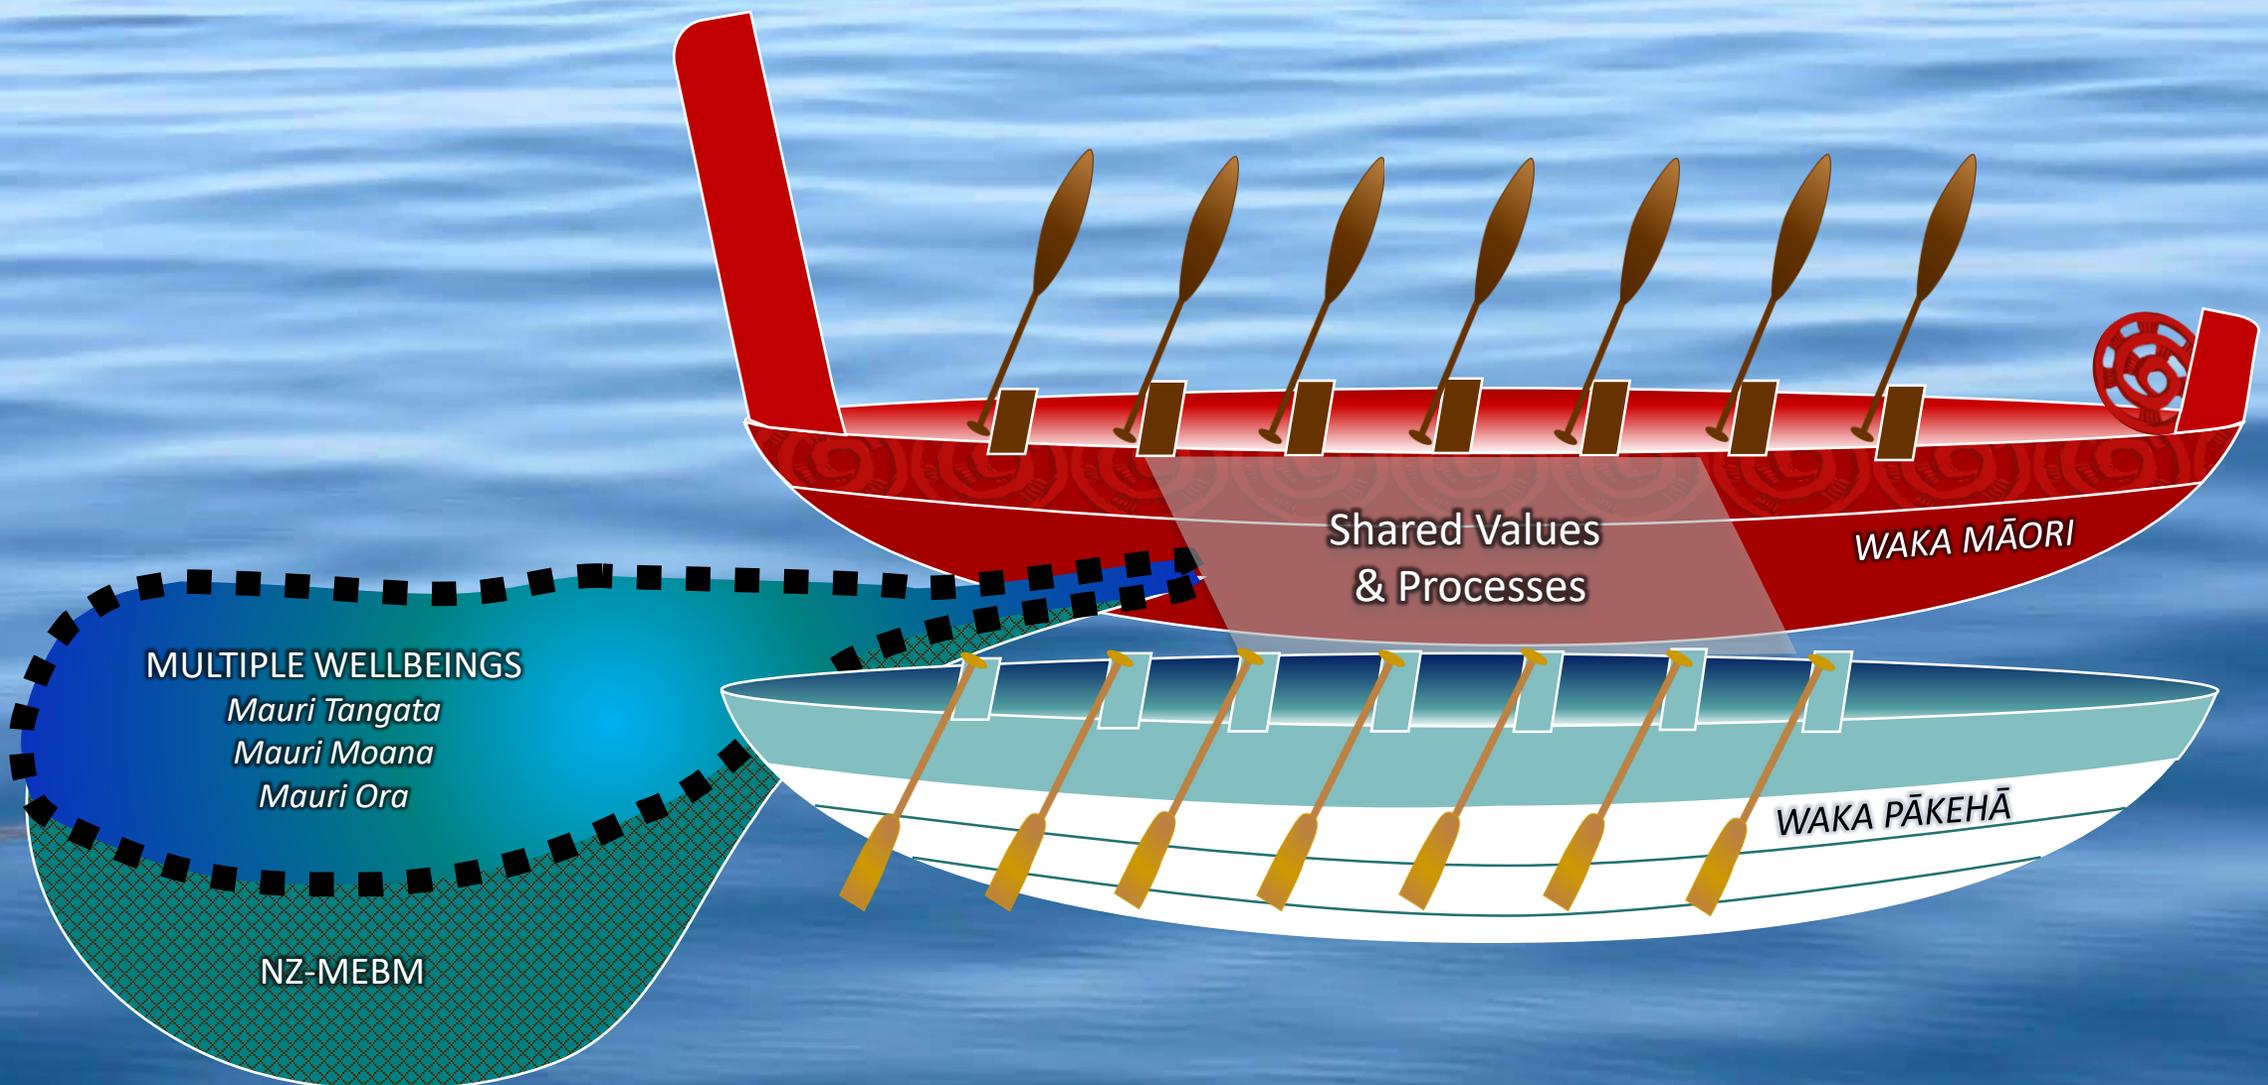

GOVERNANCE → IMPLEMENTATION

Key Challenges for Implementing EBM

- Decision-making rights
 - Who has a say?
- Positioning values
 - Governance → implementation
- Resourcing
 - Developing capability and capacity
- Validity
 - Whose values and knowledge count?

He Waka Taurua
