

Titiro whanui

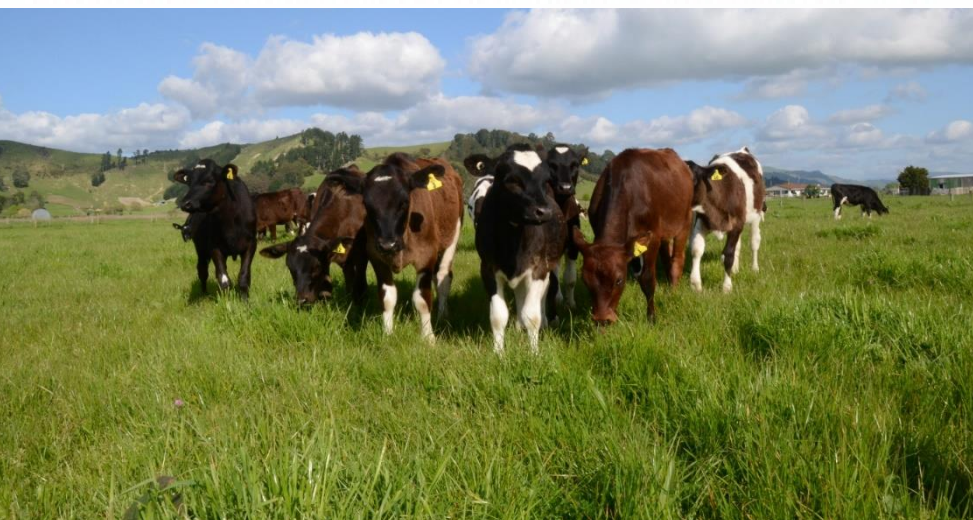

AgriSea

NEW ZEALAND LTD

Purpose of our whanau Company

- ▶ AgriSea New Zealand is concerned, above all, about the health of the environment and the health of future generations.
- ▶ By manufacturing safe products that are effective and have integrity;
- ▶ And by being engaged in the educative process of learning and teaching;
- ▶ we contribute to changing peoples' attitudes and the future is improved for our children's children

Average Fruit Weight/Kiwifruit

Ecklonia radiata Waihau Bay Ecological Research

Collaborative approach to research
