A global view: Lessons for Aotearoa New Zealand from the UN Oceans conference

Sally Paterson, Live Ocean Foundation
Nigel Bradly, EnviroStrat

An aerial photograph of a rocky coastline. The water is a deep, dark blue, and the waves are white and frothy as they crash against the shore. The rocks are brown and jagged. The overall scene is dynamic and natural.

LIVE  OCEAN

No healthy planet without a healthy ocean
and the ocean's health is measurably in

**WE KNOW WHAT WE NEED TO DO,
WE JUST NEED TO DO IT**

OCEAN RISK IS CLIMATE RISK
